FOR IMMEDIATE RELEASE
February 11, 2019

2nd Annual St. Patrick's Day Festival at Beaufort Town Center

Beaufort, SC- The 2nd Annual St. Patrick's Day Festival at Beaufort Town Center will take place on Saturday, March 16 from 12pm-4pm. The event is free and open to the public.

Area restaurants and food trucks will be selling food and drinks and there will be live music by Mike Martin & The Beautiful Mess. This family-fun event will also have activities for children of all ages, and those young at heart as well. Attendees will enjoy bounce houses, face painting, a rock-climbing wall, obstacle courses, a 24-foot slide, a 4 man bungee jump, and much more!

Kathryn Lott, event organizer and owner of Plum Production comments, "The Inaugural St. Patrick's Day Festival last year was a huge success, and we're thrilled to be working with several Beaufort Town Center businesses and many outside vendors to ensure another fantastic year. We've switched up some of the activities and we have different entertainment this year, so even if you came last year, there will be some new features and the event will be equally, if not more, fun."

Jenny Sanborn with 303 Associates comments, "There's a lot happening in Beaufort Town Center this year. With construction underway on the big-box space and the addition of several new businesses to Beaufort Town Center, we're excited for people to come and see all Beaufort Town Center has to offer and what's to come."

Additional information on this event and events in the future can be found on the Beaufort Town Center website (www.beauforttowncenter.com) and Facebook Page (www.facebook.com/BeaufortTownCenter).

###

Beaufort Town Center is a mixed-use development on Boundary Street, which is the highest traffic street in the City of Beaufort. For additional information or to inquire about available space, please contact 303 Associates at 843-521-9000 or info@303associates.com.
